

## **Photography, Video And Filming Policy**

- Staff, volunteers and guests are welcome to shoot still photos, video or film at the Vancouver Aquarium for personal use only.
- Anyone capturing images or footage at the Aquarium may be asked to provide access to the image/footage for use by the Aquarium, the rightful holder of all images/footage.
- Any reuse or reproduction for commercial purpose without written consent of the Vancouver Aquarium is strictly prohibited.
- Staff, volunteers and guests do not have the right to distribute or sell images/footage taken at the Aquarium for commercial use, which includes third party sellers (e.g. Getty).
- As the Aquarium is the rightful holder of any image/footage taken within the Aquarium's premises, the Aquarium has the right to share the image/footage with its partners for use in marketing, promotions or communications.
