

Changing Tides at the Vancouver Aquarium

NEW PREMIUM MEETING SPACE

The Vancouver Aquarium is a truly unique and unforgettable venue to hold your next special event. Your guests will discover a world of over 60,000 fascinating aquatic creatures. Consider having your next meeting or event in our new Changing Tides space, available now for morning, afternoon, and evening events.

Our culinary team is happy to create a menu tailored towards your specific event, and our goal is to offer an exceptional dining experience for you and your guests. Our seafood selections are 100% Ocean Wise®, a conservation program founded by the Vancouver Aquarium to encourage sustainable seafood choices. Couple this with locally sourced ingredients and chefs dedicated to sustainable farm to table practices, we have a menu for every palate.

When you host your event here, you do more than provide your guests with an amazing experience; you are also supporting Ocean Wise, a non-profit organization whose vision is a world in which oceans are healthy and flourishing.
